Docket No. 256609

LC No. 04-404441-CZ

---

The Court orders that the delayed application for leave to appeal is DENIED for failure to persuade the Court of the need for immediate appellate review.

In light of the fact that plaintiff filed the instant application on July 8, 2004, before the issuance of the order assessing costs in Docket No. 256103, this panel does not address plaintiff's use of the term "emergency" in the title of the instant application.
